NOTES AND PRECIS.

D.No. 5670 S.N.16

In connection with the original proposal for the official recognition of the Bangalore Lower Secondary Examn; the Inspector of Schools stated as follows:-

> ' The expenses of running these examinations have been met solely from the fees collected. The fee in 1931 was Rs. 2/- per head. Originally it was rupee 1 but it had to be raised this year to cover the extra cost involved by the inclusion in the scheme of the additional ~~xxxxxx~~ subjects. The examination fees are used to cover the cost of printing, stationery supervision and and for remuneration of examiners. * * * * '

Para. 4 3(c) of S.M. 3/-2 of 7.776-31 (P)

(C)

In continuation of what has been stated above the Inspector further stated;-

> It was also decided that in future supervision should be honorary i.e., undertaken without outside assistance, but with the help of the inspecting officers and by the interchanging of teachers between the various Centres. As a consequence of this it was found possible to reduce the examination fee to Rs. 1-8-0 from Rs. 2/- (charged last year).

Para 2 of S.N. 8 of 7.776-31 (P)

(H)

In the order sanctioning the scheme for the examination the fee payable was fixed at Rs. 3/- per candidate. In this connection please see para. 61 of notes in File 776-31. The cost of setting the papers and marking them was estimated at Rs. 690/-. The cost on account of remuneration ~~xxxxx~~ included in the statement received with the present letter amounts to Rs. 1,010-6-6. The Inspector has not furnished information as to the actual amount of fee collected. It is desirable that the examination should be self-supporting. Before sanctioning the Inspector's proposals we may perhaps call for a statement showing the actual receipt and ~~xxxxx~~ expenditure.

The Inspector says- "It would be a hardship for these boys if they are made to wait for perhaps 8 or 9 months before they can sit for the Lower Secondary Examination as <u>private candidates</u>." But under para. 9 and 10 of the orders under which the institution of the Lower Secondary Exam: was sanctioned, private candidates who have not studied in a recognised school or have not appeared for similar examination elsewhere are precluded from appearing for the Examination.

SN 27 776-31 J P

(21)

The proposal involves a departure from the general principles on which the Lower Secondary Examination was introduced. It will be remembered that it was introduced in spite of vehement public criticism. Please see para. 44 to 49 of notes in File 776of 31 which gives a history of the case.

J P

(22)

The boys referred to by the Inspector having waited to enter a school till they reached Bangalore can as well wait for another 8 or 9 months to get into the IV Form, or if they are so particular as to get into a recognised School, they can as well join the III Form straight away and after the completion of the course in that form can appear for the Lower Secondary Examination and thus qualify themselves for admission into the IV Form. After all a regular course in the III Form will only be to the advantage of these boys in the long run. There is no reason why they should be so anxious to get into the IV Form itself unless it is to evade the official examination.

(23)

Private candidates are seldom permitted to appear for Public Examinations, a procedure which will defeat

the

purpose of Public Schools.

m In these circumstances it is for orders whether the Inspector's proposal may be sanctioned.

Will Rao plean see from para 20. I should not have troubled him with this case at all, if it had not been for the objections raised in the noting. My own view is that Inspector of Schools is entirely right and that there is no reason why we should not accept his proposal.

G.O. No. 8072 dated the 10th September 1935

U.O.No. 3793/B/116/35 dated 24.9.1935.

My proposal is that I should be given permission to waive Rule 3 of the Proceedings at my discretion in exceptional cases. One such case is that of a boy whose parent came to Bangalore in July having retired from Government service. The family are Tamilians but the father has been in Government service for some years in Northern India and the boy could not usefully attend the Hindustani schools there. The father therefore made private arrangements for his boy's education. The boy is fit to enter form IV. Now either (1) we must relax rule 3 or (2) the boy must enter Form III of a school here, and do work again that he already knows and, in fact, waste a year's school fees, or (3) we must relax rule 9, and make the boy wait for admission until next April, waste a year, and take the examination as a private candidate.

It seems most reasonable to adopt alternative (1) which is, what I propose. I merely ask for permission to deal with exceptional cases in a reasonable way, and, as I have stated in my letter, I will see that no improper evasion of the examination is permitted.

I may add that if such a case arose late in the school year in December or January, for instance, I would insist upon the boy appearing for the public examination in the following April and would ask for Rule 9 to be relaxed. Such cases will be dealt with if and when they arise.

24/9/35

Rule 3 is clear. It takes its authority from the

the Resident. He can relax it when necessary. The question for consideration is whether the power to relax the rule issued by the Resident should be delegated to the Inspector by a general order or whether it should rest with the Resident to be dealt with on merits each time a case arises.

Submitted for orders.

Sir,

I have the honour to state that the Government of M have in the past granted exemption to the candidates belon to the depressed classes from the payment of examination fees for the several local examinations in the State. From informati obtained from the Director of Public Instruction in Mysore I learn that the concessions have been extended up to and including the Examinations in 1938 in view of the fact that the social and economic conditions of the communities have not improved. The circumstances of the Depressed class pupils in the Civil and Military Station, Bangalore, being similary I recommend that a similar concession may be granted to pupils who are certified by the heads of their schools to be so poor that they cannot pay the fees for the Bangalore Lower Secondary Examination. I shall be obliged if you will kindly obtain and communicate the Hon'ble the Resident's orders at a very early date.

2. As regards the supply of graph paper, I am afraid that it may not be possible to send an indent to the Deputy Controller of Stationery, Calcutta and obtain the paper in time. I therefore propose to purchase it locally together with paper fasteners. I have already indented for the latter in my annual indent, but the supply may not be received in time, and even if received, it may not be sufficient for this examination as well as the European School examinations for which it was intended. I therefore request you to be good enough to obtain the Hon'ble the Resident's sanction to the local purchase of the above at a cost ~~xxxxxx~~ not exceeding Rs. 20/-

2. I have accepted entries from the pupils noted below *, who have, however, not entered for the vernacular paper in the ensuing Lower Secondary Examination. I have satisfied myself that in such cases the pupils are unable to take the vernacular paper either because they have come from a place where the vernaculars differ from those taught in Bangalore schools (e.g. Marathi, Guzerathi) or because their-mother-tongue is not taught here and they have therefore not been studying any vernacular in our schools.

3. The Board has discussed these cases and has decided that such pupils shall not receive the benefit of the concession mentioned in para. 7 of the Proceedings referred to. They must pass in each of the four subjects taken; otherwise they would be unduly favoured in relation to the other candidates taking five subjects.

4. Pupils in such circumstances are ordinarily exempted by the Director of Public Instruction from taking the vernacular paper in the S.S.L.C. Examination and they do not study a vernacular in any of the forms of the High School.

5. I request that I may be given gneral permission to exempt such pupils from taking the vernacular paper and that the decision of the Board referred to in para. 3 supra may kindly be approved.

I have the honour to be,

Sir,

S. N. 27 (R) 776-31

I have the honour to invite your attention to Proceedings No.573, dated 18-1-34, conveying sanction to the institution of the Bangalore Lower Secondary Examination.

2. The first examination under the scheme was held on the 1st 2nd and 3rd April 1935, and the results were declared after a meeting of the Board on 1-6-35.

3. I enclose herewith a statement showing the names of the Examiners and Superintendents who took part in the Examination. I propose the following rates of remuneration for setting and valuing the papers and for supervising the Examination:-

1. For setting a 2 hours paper	-	Rs. 20- 0- 0.
2. -do-	1½ hour or 1 hour paper	" 15- 0- 0.
3. For marking a 2 hours' paper		0- 6- 0.
4. -do-	1½ -do-	0- 4- 6
5. -do-	1 -do-	0- 3- 0.
6. For supervising the whole Examination.		12- 0- 0.

4. I would explain that the large number of Examiners involved is due to the fact that, though the papers were set in English, candidates were free to answer all the papers (except English) in their own vernaculars; so that for some subjects as many as five Examiners were necessary. In several

cases

The Secretary to the Hon'ble the Resident in Mysore,
Bangalore.

Sir,

I have the honour to invite your attention to your No. 573, dated 18-1-1934 conveying sanction to the institution of a Lower Secondary Examination in the Civil and Military Station Bangalore.

2. In para 6 of the order, a minimum of 30% is fixed for ~~th~~ the paper in the Vernacular. At a meeting of the Lower Secondary Board held on 1-6-1935 it was resolved that in the Vernacular paper the minimum for a pass be 35% for the next examination. It was considered that, on the analogy of the S.S.L.C. Examination, the standard expected in Vernacular should be on a level with that for English. I therefore request you to be good enough to obtain the Hon'ble the Resident's sanction to the change.

I have the honour to be,

The Secretary to the Hon'ble the Resident in Mysore, Bangalore.

Sir,

S N: 27 (P) 776-31

I have the honour to invite your attention to the Proceedings No.573 dated 18.1.1934 of the Hon'ble the Resident in Mysore in connection with the institution of the Bangalore - Lower Secondary Examinatibn in which it is stated that no pupil shall be admitted to the IV Form of any High School in the Civil and Military Station, Bangalore, unless he has passed the Lower Secondary Examination or the equivalent examination in another Province.

2. In a few cases boys apply during the school year ~~for~~ for admission to the IV Form who have, for good reasons, not been studying in a recognised school, (often because of a parent's frequent official transfers) but who are now settled in Bangalore. It would be a hardship for these boys if they are made to wait for perhaps 8 or 9 months before they can sit for the Lower Secondary Examination as private candidates. In such cases I request that I may kindly be given discretion in admitting such boys to Form IV if they are, after a suitable examination, found fit for admission to that Form. Care will be taken to ensure that no improper evasion of the official examination is allowed.

I have the honour to be,
Sir,
Your most obedient servant,

F. Edmonds.
